If you follow the steps in this outstanding book, you will truly be one of the most happy people in the world and can rejoice in His salvation.

The Sanctified Life

An audio e-Book showing how Jesus and the characters of the Bible give us examples of how we can live holy lives.

Thoughts from the Mount of Blessing

An audio e-Book that comments on the Sermon on the Mount found in Matthew. This inspiring book applies this sermon to our daily lives.

Christ's Object Lessons

An audio e-Book which takes the parables of Christ and applies them to daily life. This inspiring book is one of my personal favorites!

The Great Controversy

This most outstanding audio e-Book in the Spirit of Prophecy series talks about the ongoing controversy or confrontation going on between Christ and Satan and takes us behind the scenes of history to show us how this battle has been played out. It also brings to us a picture of the future, including the role that America will play in earth's closing events.

The Desire of Ages

This book is the number one book checked out from the library of congress on the life of Christ. Your heart will thrill as you behold Jesus, the Lamb of God which takes away the sin of the world. It is a personal favorite of mine. I have read it four times and constantly use its instruction for my life. You will truly be blessed by this book!!!

Patriarchs and Prophets

In this audio book, you will hear the vivid account of how a mighty angel in heaven led one third of the other angels to rebel against God and how they were cast out of heaven. Following this

account, you will look on as God creates the world in all of its beauty. You will see how sin first came to be upon planet earth. Beginning at Adam and ending with David, you will learn how each of the patriarchs and prophets of the Bible found hope in the promise of the soon coming Messiah. You will rejoice as you find that the recurring theme of this book is Jesus Christ and Him crucified. I pray that you will also find that not only was God a friend to the heroes of the old Testament, but that He can be your friend too.

[Acts of the Apostles](#) ☐☐

Have you ever wished that you could be there when the early church was formed; that you could walk in the shoes of great men of faith such as Peter and Paul? This book takes you back to the times of the apostles of Jesus. As you read you will find God's ideal for His church on this earth and will be challenged to experience the same wonder working power that the apostles experienced. Most of all, you will get a clearer picture of the Jesus whom these men sacrificed all to preach to the ends of the earth!!!

[Prophets and Kings](#)

This book begins with the end of the reign of David through the prophets of the Jewish nation. You will hear about great men of God like Elijah, Elisha, Daniel, Isaiah, Ezekiel and Jeremiah. You will thrill as you see the great mercy and forbearance of Jehovah. You will marvel at God's patience as He determines to fulfill His purpose of bringing salvation within reach of every man.

[Christ Our Savior](#)

This book tells the story of Jesus for children. The language is simple and to the point.

[The Ministry of Healing](#)

This book contains much material that was not able to be included in the Desire of Age. It shows how Jesus ministered to others by providing their physical needs. It then gives sound biblical instruction as to how we also can minister to others in the same way that Jesus did. This is one of the most practical books I have ever read.

[Education](#)

This may seem to be a simple title for a book, but it contains some of the most important information on how to educate the whole person, not only for the current world but for the world to come. If you are an educator, you will not want to miss this book. If you are a parent you will find it invaluable for training your children.

[Redemption](#)

This book focuses on the forty days in which Christ was tempted in the wilderness with the intention of providing us with the Biblical tools that we need to resist temptation victoriously in the same way that Christ did. It emphasizes the fact that we truly can overcome as He overcame!

[Lessons on Faith, By A. T. Jones and E. J. Waggoner](#) (External Website - Some Chapters are Free. If you want the entire book, you must pay a small fee.)

"In the manifestation of Christ the Savior it is revealed that He must appear in the three offices of prophet, priest, and king.

"Of Him as prophet it was written in the days of Moses: "I will raise them up a Prophet from among their brethren, like unto thee, and will put My words in His mouth; and He shall speak unto them all that I shall command Him. And it shall come to pass, that whosoever will not hearken unto My words which He shall speak in My name, I will require it of him." Deut. 18:18,19. And this thought was continued in the succeeding scriptures until His coming.

"Of Him as priest it was written in the days of David: "Yet have I set ['anointed,' margin] My King upon My holy hill of Zion." Ps. 2:6. And this thought, likewise, was continued in all the scriptures afterward unto His coming, after His coming, and unto the end of the Book. "Thus the Scriptures abundantly present Him in the three offices of prophet, priest, and king."
